Keeping You Connected

Charges for your local monthly service are billed one month in advance. Charges for other monthly services may be billed one month in advance or in arrears, for example, usage charges may be billed after the charges are incurred. CenturyLink should receive your payment for the total amount due on or before the due date on your bill. If you are unable to pay by the due date, please contact Customer Service to avoid possible collection action. All charges must be paid each month to keep your account current. Failure to pay non-basic charges may result in other collection activities, including restriction of long distance calls or removal of other services. CenturyLink packages of features and the amounts shown on the summary page may include both basic and charges that are not basic.

Cramming occurs when unauthorized charges appear on your telephone bill. To help prevent unwanted third party charges on your bill, contact CenturyLink and request, at no charge, a bill block that will prevent some third party charges such as charitable contributions, dial-up Internet by non-CenturyLink companies or other non-telecommunications charges from appearing on your bill.

Catalog/rate schedule information for your services is available without charge at your service provider's web site or by calling their toll-free number. Catalog/rate schedule information for CenturyLink services is available without charge at www.centurylink.com or by calling the toll-free number listed on the summary page of your bill.

A late payment charge of 4.0% or \$7.00, whichever is greater, may apply if amount due does not reach us by Jul. 28, 2017, except Internet and Digital Home Phone charges.

Any amount of Internet and related Internet charges left unpaid 30 days after bill date is subject to a \$7.00 late payment charge.
